

## IMMIGRANTS BUILD A STRONG CANADA

Canada is known for being multicultural, welcoming, open and safe.

- refugee, family sponsored, or economic immigrant - everyone contributes
- immigration builds a society with unique perspectives, voices, and lived experiences, that create a more resilient and tolerant Canada
- Canada can be a leader in supporting those fleeing violence, persecution, and threat of death. We are a beacon of hope for some of the world's most vulnerable people.

Ask your candidate:

Please tell us your Party's position on immigration and refugees.

What will you and your party do to build a community where all can belong and grow?
