
Support for the Health and Social Services Systems

ISANS Assisted the Health Care System

Staff helped to make health-related messages accessible to clients in a timely manner

Work with Public Health

ISANS worked with Nova Scotia Public Health on accessible COVID-19 communication and signage

ISANS was Accessible During the Pandemic

ISANS offered the majority of its services remotely, and in-person services in critical situations

Application Assistance

Staff answered clients' questions and helped them apply for benefits

Vaccine Rollout Support

ISANS assisted Nova Scotia Public Health with the province's COVID-19 vaccine rollout
